RABIA KANIK

FULL STACK SOFTWARE ENGINEER

Ankara, Türkiye | +90 507 435 72 18 | knkrabia@hotmail.com | linkedin.com/in/rabia-kanik

PROFESSIONAL SUMMARY

Full Stack Software Engineer with 4+ years of experience developing and modernizing enterprise applications using Java, Spring Boot, React, TypeScript, Node.js, and C#/.NET. Experienced in backend services, REST APIs, microservices, identity and access management, event-driven systems, and application security. Comfortable troubleshooting complex integrations and collaborating with cross-functional Agile/Scrum teams.

PROFESSIONAL EXPERIENCE

BİTES Defence, Aerospace & Technology | Ankara, Türkiye

Software Engineer | Jul 2022 – Present Candidate Engineer | Aug 2021 – Jul 2022

- Developed and maintained enterprise applications, including Java/Spring Boot microservices, C#/.NET and Node.js backend services, and React-based user interfaces.
- Implemented and integrated REST APIs and backend components supporting enterprise workflows and system interoperability.
- Contributed to identity and access management, role-based authorization, authentication security, and related application enhancements.
- Designed event-driven audit logging components using asynchronous messaging technologies.
- Supported legacy application modernization through framework and platform upgrades and technology migrations.
- Investigated performance, memory, and security issues; performed root-cause analysis and contributed to remediation.
- Worked on real-time communication and external-system integrations, including protocol analysis and technical troubleshooting.
- Optimized SQL queries in PostgreSQL and MariaDB environments.

TECHNICAL SKILLS

Backend: Java, Spring Boot, Hibernate/JPA, REST APIs, Microservices, Node.js, C#, ASP.NET Core, Maven, JUnit

Frontend: React, TypeScript, JavaScript, Redux, JSF / PrimeFaces

Data & Messaging: PostgreSQL, MariaDB, SQL, RabbitMQ, Flyway, Event-Driven Systems

Security & Integration: Keycloak, Identity & Access Management, OAuth 2.0 / OpenID Connect, System Integration, WebSocket

Tools & Practices: Git, Jenkins, Jira, Agile/Scrum, Tomcat, Wireshark, Performance Troubleshooting

EDUCATION

B.Sc. in Computer Engineering (Honors) | Başkent University, Ankara | 2018–2022
